LIST II.

LIST OF SCHEMES EXECUTED UP TO THE END OF 31ST MARCH 1946.

Item number in Statement I.	Serial number.	
1	1	Formation of a new tank in Motor Chintalapalli village.
2	2	Construction of a dam across the Kutalavanka at Gazulapalli.
3	3	Chagalamarri project.
4	4	Excavating a channel from the right bank of the Pennar to irrigate lands in Gangavaram and Vibrampuram villages.
5	5	Diverting supplies from Jyoti vagu into the Ganganapalli tank.
6	6	Restoration of the Royapuram tank.
7	7	Constructing a reservoir across the Gargeyapuram vagu.
8	8	Excavating a supply channel to the Gottur Malli Devaraya cheruvu.
9	9	Constructing a reservoir across the Paleru at Owk.
10	10	Chinnatekkur project.
11	11	Restoration of the Beerappa cheruvu.
12	12	Vogur Vokkamada project.
13	13	Restoration of Titakal tank.

LIST III.

LIST OF SCHEMES INVESTIGATED, ESTIMATES PREPARED AND READY FOR EXECUTION.

Anantapur district.

Item number in Statement I.	Serial number.	
14	1	Constructing an anicut across the Pennar, half a mile below the junction of the Pennar and Kumudavathi rivers.

Kurnool district.

Item number in Statement I.	Serial number.	
15	2	Restoration of Gotipadya tank.
42	3	Restoration of Perur tank of Boyadagumpula, Markapur taluk.

[9th September 1946

LIST IV.

List of Schemes under consideration and scrutiny.

Item number in Statement 1.	Serial number.	
20	1	Restoration of breached tank near Gantimarri village known as Vidyaranaswamy tank.
29	2	Reclamation of Kurnool-Cuddapah Canal Lagoons.
36	3	Construction of an anicut across Banunadi to restore the supply to the old Yericalva for irrigating about 100 acres in Siddaredin Garipalli villages.

LIST V.

List of Schemes approved by Government or suggested for investigation.

Anantapur district.

Item number in Statement I.	Serial number.	
37	1	Restoration of existing breached tank called Pilligundala cheruvu.
38	2	Construction of a dam across the Hagari at Bairavanitippa.
39	3	Restoration of Kotha tank of Peddanaveripalle.
52	4	Constructing a reservoir across the Pennar at suitable site between the proposed Perur and Gandikota reservoir site.
		Cuddapah district.
40	5	*Formation of a new tank across Vanneswaram venka.*—Proposal is to form a new tank across Vanneswaram venka and also to augment supplies by excavating a supply channel about two miles in length from Nadigudi village.
41	6	Formation of a new tank across Vanilla near Chilamakur.
		Kurnool district.
43	7	Restoration of Venkatareddigunta of Edavalli village.
44	8	Formation of a reservoir across Tigaleru near Yeguvacherlapalli village.
		Chittoor district.
46	9	Restoration of Malaivanicheruvu of Panapakkam.
48	10	Reservoir across Bhimanadi tributary of Swarnamukhi in Mulapalli village.

LIST VI.

List of Schemes investigated and dropped.

Anantapur district.

Item number in Statement 1.	Serial number.		
49	1	Restoration of a breached tank near Rayal Cheruvu Kotha tank of Royal cheruvu.	Due to prohibitive cost of involving materials alterations to the Public Works Department sources Krishnadevarayala cheruvu and necessitating diversion of Bellary-Cuddapah road it was ordered to be dropped.
50	2	Formation of a new tank in the Kona Uppalapadu village across Kona Rameswaram venka.	As the scheme involves submersion of about 74 acres of foreshore land and the retentivity of the tank bed is also doubtful, the scheme was dropped.

9th September 1946]

Item number in Statement I.	Serial number.		
		Anantapur district—cont.	
51	3	Restoration of breached tank in Nidigalle village, Dharmavaram taluk.	The proposal involves submersion of 120 acres of Patta lands including wet and garden crops and hence the scheme was dropped.
		Cuddapah district.	
53	4	Itigundalpad Project, the scheme is to construct a reservoir across a small stream having a catchment area of 10·25 square miles.	Government ordered that the scheme need not be pursued.
54	5	Restoration of Peddadasaripalli tank.	Sanctioned as a Grow More Food for Rs. 66,000. In view of the prohibitive cost as per existing rates the proposal is deferred for the present.
		Kurnool district.	
55	6	Formation of a new reservoir across Killimagalovagu near Paniem, Nandyal taluk.	Ordered to be dropped by Government.
56	7	Formation of a new tank across Boyanavanka near Alamakonda.	Detailed investigation ordered to be dropped by Government.
57	8	Improvements to Amadalacheruvu of Ramapuram by diverting Potulavagu near Honkavaram.	Since the proposal involves submersion of cultivable foreshore lands the proposal was dropped.
58	9	Improvements to Chinnavengali gunta by augmenting its supply and extending the ayacut.	Dropped.
59	10	Improvements to Peddavegaligunta.	....
60	11	Ahobilam Project—Pilot Scheme.	....
		Chittoor district.	
61	12	Restoration of Rangiah Cheruvu.	
62	13	Improvements to Vanappa tank of Sanikavaram, Markapur taluk.	
63	14	Restoration of Tadimarri tank, Anantapur taluk.	
64	15	Restoration of Chinnagudipadu tank, Markapur taluk.	
66	16	Restoration of a breached tank near Rayalacheruvu (Kotha tank of Rayalacheruvu).	
67	17	Formation of tanks along Tungabhadra Project Canal.	
68	18	Restoration of the Ankireddi tank. Nandyal taluk.	
69	19	Restoration of Banikal tank, Kudligi taluk.	
70	20	Improvements to Lakkavaram tank, Gooty taluk.	
72	21	Restoration of the Chillabanka tank, Kurnool taluk.	
73	22	Roddam tank project.	
75	23	Lower Sagileru project.
